

Dear Nucor Team Members,

Thank you for your membership with Community Service Credit Union. As you are probably aware, Community Service Credit Union has reduced the number of days per week that the Grapeland location is staffed with a credit union employee. Although it was a difficult decision, the last day the CSCU office will be staffed by a CSCU representative inside the Vulcraft Steel location will be August 29, 2014.

We sincerely appreciate your business and look forward to providing financial services to you in the future. Be sure to give us a call if you need assistance with access to your account.

Remember, CSCU provides online banking, telephone banking, text banking, mobile deposit and much more. Explore our website at www.cscutx.com or call our 24 hour call center for assistance anytime.

Sincerely,

A handwritten signature in cursive script that reads 'Brenda Hooker'.
