Access to member's accounts is always a priority for CSCU and with that in mind, the decision was made to expand debit card support service. Members can now receive assistance with debit cards no matter the day of the week, or time of day. This expanded service includes assistance with fraud disputes, travel exemptions, debit card activation and more. Texas Credit Union Department examiners recommended that we establish the number of directors as an odd number, rather than an even number. In June 2017, the bylaws were amended to change the total number of directors from 8 to 7. In conclusion Mr. Scott expressed confidence in the leadership of Brenda Hooker, CEO, the Board of Directors, dedicated staff and the support and loyalty of our member-owners.

Following the Chairman's Report, Mr. Scott introduced Ms. Brenda Hooker to provide the Chief Executive Officer's Report. Ms. Hooker noted that the credit union founders couldn't know their venture would grow from 55 members to over 11,000 members in 64 years, and that assets would grow from \$10,000 to \$94M. We have many people to thank for those successes, including our directors, leaders, dedicated employees and loyal members. This year will go down in history as one of the most unusual for its hurricanes, storms and devastating flooding. People lost cars, belongings and homes and we were able to reach out to those in devastated communities to offer financial assistance.

Top security issue was the Equifax data breach that affected 143 million Americans. Ms. Hooker advised members to take advantage of Credit Sense, a free credit monitoring tool available through CSCU Online and CSCU Mobile. Monthly updates are delivered directly to the member's inbox, highlighting any new or unusual activity on their credit report. In closing, Ms. Hooker noted that our commitment is that CSCU will continue to grow while listening and responding to member's needs; exploring innovative product and service solutions to enhance your financial life and develop our staff and board, so they can confidently and wisely serve your interests.

Mr. Scott introduced Mr. Mike Countz to give the Nominating Committee Report. Mr. Countz reported that the 2018 Nominating Committee consisted of himself as Committee Chairman, Mr. David McNutt and Mr. Scott Kyle. Mr. Countz reported that there were no nominees received by Petition, therefore the Committee nominates incumbents Mr. John Burney, Mr. Sherrel O. Woods, Mr. Thomas Dewitt Oleinik and Mr. Wayne Scott for a 3 year term expiring 2021. Mr. Scott thanked Mr. Countz for his report. In accordance with the bylaws of CCU, Mr. Scott declared election by acclamation of Mr. John Burney, Mr. Sherrel O Woods, Mr. Thomas Dewitt Oleinik and Mr. Wayne Scott.
